

OBERHAUSBERGEN WALTHER ORGAN FOR JORGAN 311 IMPROVEMENTS

THIS IS AN IMPROVEMENT FILE CONTAINING A DISPOSITION .EXE MADE BY FRIEND, CHURCH ORGANIST AND JORGAN FORUM MEMBER MARCO FRANCESCO.

HAS DIFFERENT POSITION OF THE DRAW STOP LEVERS SO WHEN OPEN DO NOT OBSCURE THE LABELS.

THIS WAS SOMETHING OTHER PLAYERS TOO WANTED.

COPY THIS INTO OBERHAUSBERGEN FILE AND USE THIS WHEN ENGAGING JORGAN 311.

ALSO IN THIS FILE YOU WILL FIND AN SF2 BANK WITH THE TIERCE STOP CORRECTED IN TREBLE AREA, FOLLOWING BERND CASPER'S OBSERVATIONS.
THANK YOU BERND !

THE TRUMPET STOP REMAINS, AS THIS IS THE ORIGINAL STOP SAMPLED BY JOSEPH BASQUIN AND I CANNOT CHANGE THAT WITH ANOTHER RANK FROM ANOTHER ORGAN... SORRY ABOUT THAT.

COPY-PASTE THIS SF2 BANK OVER THE ONE ALREADY IN THE FILE.

HOPE YOU'LL FIND THESE ADDITIONS USEFULL!

HAVE FUN !
